Re: Parents' Evening – All Year Groups.

Dear Parents and Carers,

We have reflected on the low attendance at the Year 7 and 8 parent evenings from last term.

As a result, we have decided to offer these consultations as a "virtual" online meeting instead to support busy family schedules. There will be the opportunity to specifically request a face-to-face consultation if you prefer but this will not be on the virtual parent evening day, but will be agreed on a personal basis.

We will be able to hold these meetings via Teams or via telephone. The parent evenings will be held on 19th June between 3.30 and 5.30 and each appointment will be 10 minutes. Please call the school admin team to request your slot and let them know whether you would prefer a Teams link or a telephone call. Alternatively, if you would prefer a face to face meeting, please let the admin team know and they will ask the tutor to contact you directly to arrange this.

We look forward to meeting you to discuss your child's progress.
