1st December 2025

Dear Parents and Carers,

At our school, we value the ideas and feedback our pupils share with us, and their views help shape the decisions we make.

Following Pupil Voice meetings with our year group representatives, we are pleased to let you know that we have updated our breakfast and lunch menu, and we are looking forward to our pupils tucking into some of our new dishes from next week. We won't be completely changing the menu; there are lots of delicious and nutritious dishes that remain very popular with our children. The children shared their thoughts on the current options, and their suggestions have been heard.

We are also delighted to welcome our new Catering Manager, Lee, who joined us last week. Lee brings a wealth of skills and experience and is already working closely with the team to further develop and improve the meal options we provide free of charge to all our pupils, regardless of whether they are eligible for free school meals.

The updated menu can be found on our school website; www.brunelschool.org. Please note that we try not to make sudden changes to the menu unless absolutely necessary, such as in the case of supply shortages.

As always, if your child has any allergies or specific dietary needs, please ensure that you inform the school reception so we can keep our records up to date and make the appropriate arrangements.

Thank you
Brunel School
