Monday 30th March 2026

Dear Parents and Carers,

Re: Tuck Shop.

We are pleased to inform you that we will be introducing a new point-based system at Brunel School to encourage and celebrate positive behaviour among our pupils.

Through this system, children will be able to collect points for demonstrating positive behaviours such as kindness, effort, respect, and responsibility. These points can then be saved and built up over time, allowing pupils to work towards rewards of increasing value.

Points can be redeemed during break time at our school tuck shop, which will be open on Tuesdays and Fridays, starting Tuesday 31st March 2026. Pupils may exchange their points for a variety of rewards. While some rewards will include snacks and drinks, we are keen to ensure that higher-value rewards are not always food-based. For example, pupils may choose to save their points for special non-food rewards, such as selecting a school trip or other unique opportunities.

To support a balanced approach, please note that pupils will be limited to redeeming one snack and one drink per day.

We hope this new system will motivate our pupils, promote positive behaviour, and provide them with meaningful incentives to make good choices.

Thank you for your continued support.

If you have any questions, please do not hesitate to get in touch.

Kind regards,
Brunel School
